

## **SHELBURNE CULTURAL COUNCIL**

### **November 16, 2022 Minutes**

**Shelburne Cultural Council public meeting of November 16th** was called to order by Kate Whittaker at 6:30 PM. The meeting was held in Memorial Hall.

**Attendance:** Jennifer Bauman, Treasurer, Kate Whittaker, Secretary, Linn Bower, Jacqui Goodman, and Maureen Moore. Owen Bragdon, Co-Chair, arrived at 7 PM.

**The Council approved the draft minutes of October 26** with the following addendum: Owen met with Rachel Silverman of the Mohawk Regional High School informing her that our proposed SCC project will be postponed until further notice due to the extensive number of 2023 grant applications the Council received. Council members unanimously agreed that it was more important to fund as many projects as possible with the relatively limited funds we have to distribute rather than create our own program at this time.

#### **New Business:**

Upon careful deliberation, the 23 applications that were approved for 2023 were awarded full to partial funding up to our total of \$6,447.00. Approvals and award amounts were entered into the MCC SmartSimple System.

Three council members will form a subcommittee and will meet November 29th to send approval letter packets via email to grantees.

**Meeting adjourned at 8:30 PM.**

*Minutes submitted by Linn Bower, for acting Secretary Kate Whittaker.*
