

Shelburne Recreation Committee Meeting Minutes for June 6, 2022

Present: Diana Hardina, Norman Beebe, Stefan Tolpolski, and Bill Buck

1---- Approve meeting minutes for May.

2---- Open Space and Recreation Plan renewal – we review the May draft and make suggestions. We focus specifically on questions 6 through 11. Norman is on the subcommittee working on this and will communicate our suggestions.

3---- Community Preservation Act – is on the Town Meeting warrant for this Saturday, June 11th.

4---- Updates

* Town elections in the Cowell – June 10th to 15th

* outdoor pickleball court – still haven't heard back from Vermont Recreational about when they'll paint the lines for our pickleball court. The drop-in pickleball program that was approved last month has yet to begin – we're hopeful it will begin soon.

* Mohawk Trail Woodland Partnership grant – we hope to hear at the end of the month on whether the grant we submitted on 4-27-22 (for leveling the softball field in preparation for putting in a skating rink, and to help pay for the OpenSpace and Recreation Plan renewal) has been approved.

* Communications strategy – Diana is learning to use Mailchimp!

5--- Cowell schedule/Cowell director report – events on the calendar are:

* Tuesday at 6:30 - basketball (age 35 and older)

* Wednesday and Friday at 7 – volleyball (16 and older)

Additionally, Stephanie Gelfan has been approved for an ongoing private rental of the gym on Saturday mornings for tai chi from 9 to 10:30.

Lights still out.

6---- No other business

7--- We'll schedule our next meeting as needed – probably not until August.
